Luis Vicente

Education

- expected 2016 Cumulative Habilitation, Linguistics (Universität Potsdam).
Thesis: *Seven papers and one squib on ellipsis and related issues.*
- Sept. 02–May 07 PhD in Linguistics (Leiden University, Netherlands).
Dissertation: *The syntax of heads and phrases: a study of verb (phrase) fronting.*
- Jan. 05–May 05 Visiting graduate student (University of Massachusetts, Amherst, USA).
- Sept. 98–June 02 BA in English Philology with Linguistics minor (University of Deusto, Spain; *cum laude*).
Thesis: *Prenominal relatives in Basque and Antisymmetry.*
- Sept. 00–June 01 Erasmus Student (University of Manchester, UK).
- Sept. 96–June 99 Basque Proficiency Diploma (Basque Government, Department of Education and Research).

Employment

- since Jan. 09 Wissenschaftlicher Mitarbeiter, Department of Linguistics, University of Potsdam, Germany.
- Apr. 11–Sept. 11 Temporary W3 Professor (replacement of Gisbert Fanselow), Department of Linguistics, University of Potsdam, Germany.
- Jan. 08–Dec. 08 Postdoctoral Research Fellow, Department of Linguistics, UC Santa Cruz, USA.
- Aug. 07–Dec. 07 Lecturer, Department of Romance Languages, University of Amsterdam, Netherlands.
- Mar. 03–June 05 Research assistant, NWO/OTKA joint project “The syntax, semantics, and phonology of the left periphery”.

Grants and Awards

- Jul. 11–Jun. 15 “The syntactic representation of Information Structure and the Architecture of the Grammar” (P.I., with G. Fanselow), project A1 of Collaborative Research Center SFB 632, €398,000 (German Science Foundation)
- Aug. 08–Aug. 09 Offer of a Visiting Assistant Professorship in Hispanic Linguistics, University of Illinois, Urbana-Champaign, USA (declined).
- Jan. 08–Dec. 08 “Focus and quantification under ellipsis”, postdoctoral research grant, €28,000 (Basque Government, Department of Education and Research)
- Sept. 03–June 07 Predoctoral research fellowship. €18,000/year (Basque Government, Department of Education and Research).
- Jan. 05–May 05 Travel grant to visit UMass Amherst, €4,500 (Dutch Science Foundation)
- July 02 Best student of the 2002 English Philology Class; entailed a fellowship for graduate studies at the University of Deusto (declined).

Research areas

Formal syntax and semantics (especially English, Spanish, and Basque).

Ellipsis, coordination, parentheticals, linearization, resumption.

Formal and computational models of language variation.
